

CERTIFICATION OF MICRO ENTITY STATUS

(Form SB/15A Equivalent — Gross Income Basis)

I hereby certify the following as applicant for the provisional patent application titled:

"System and Method for Sovereign Data Governance via Wallet-Signed Consent Attestation in a Zero-PHI Behavioral Health Architecture"

1. I qualify as a micro entity as defined in 37 CFR 1.29(a).
2. Neither I nor any other party who has a right of ownership has been named as an inventor on more than four (4) previously filed United States patent applications.
3. Neither I nor any other party who has a right of ownership had a gross income in the preceding calendar year exceeding three times the median household income (threshold: approximately \$251,190 for 2025 filing year).
4. Neither I nor any other party who has a right of ownership has assigned, granted, conveyed, or is obligated to assign, grant, or convey a license or other ownership interest in the application to an entity that had a gross income exceeding the threshold in item 3.

WARNING: Certification of micro entity status is made under penalty of 18 U.S.C. 1001 (false statements).

Applicant Name: Margarita Davenport
